NAWIC Benefits Spotlight

The Coaching Corner with Michael Riegel: Flour, Water, Salt, and Yeast

The Coaching Corner
with Micheal Riegel

**Flour, Water,
Salt, and Yeast**

Those are the ingredients in bread. Not necessarily the loaf you might pick up at your local market but the bread you can bake at home. That's it. Four ingredients to produce a tasty, crusty, preservative-free, and healthy-ish loaf of bread that your family will love. I know because that is my hobby. It helps me clear my mind

and feeds my natural creativity. Why is this relevant? In my work with clients, I like to help them dig deeper to identify the basics. Those basics may be what makes them happy or productive or engaged or stimulated or perhaps a good colleague, team member or manager.

It is easy to overthink or complicate a situation. This can often be seen in the development of solutions to challenges. How often do you come up with an elaborate solution and overlook the simple. I find a certain elegance in a simple, effective approach. The key question here is how can you leverage this idea of going back to basics to feel more accomplished?
